## TAPPING, COOLING, AND SERVING SOLUTIONS FOR YOUR NEXT EVENT!

### ABOUT US

---

Travelin' Taps offers custom beer tap rentals for weddings, festivals, and other private events.

We provide party hosts, caterers, event planners, and craft brewers in Santa Barbara County and beyond with a variety of rental options, including coil jockey boxes, wine barrel façade tapping stations, local wood bar tops, and custom jockey box enclosures to fit any theme or occasion.

Our technicians set up the equipment on site to ensure that beer is flowing at the correct temperature and pressure. Although we do not provide bartending services, our units are turn-key, ready for the use of caterers, bartenders, or even self service.
